

A FREE 1-day intensive workshop
for the Australian Vegetable Industry,
with priority given to vegetable R&D levy payers

Chemical Handling Training

photo: Cameron Cowan

Date & Venue 26th September 2018
Time 8.30am - 4.30pm

Cranbourne Public Hall
166-178 South Gippsland
Highway
Cranbourne
VIC 3977

VegPRO's face to face courses are designed for the vegetable industry to raise awareness of the potential hazards and risks of chemicals and how to apply them safely.

This course includes safe chemical handling, storage and transport as well as safe application of chemicals using correct personal protective equipment and understanding chemical labels. This course includes ACCHM303 Prepare and Apply chemicals and ACCHM304 Transport and Store Chemicals.

(delivered by Duff Consulting)

Places are limited - Register at:
