

A FREE 2-day workshop for the Australian Vegetable Industry, with priority given to vegetable R&D levy payers

# Chemical Handling Training

photo: Cameron Cowan

**Date & Venue** 20th-21st September 2018

Lindenow Sporting Centre  
107 Henry Street  
Lindenow  
VIC 3865

VegPRO's face to face courses are designed for the vegetable industry to raise awareness of the potential hazards and risks of chemicals and how to apply them safely.

This course includes safe chemical handling, storage and transport as well as safe application of chemicals using correct personal protective equipment and understanding chemical labels. This course includes ACCHM303 Prepare and Apply chemicals and ACCHM304 Transport and Store Chemicals.

(delivered by Duff Consulting)

**Places are limited - Register at:**
